

## WET-INK SIGNATURE LOG

<b>Protocol Name and No:</b>			
<b>Site Investigator Name:</b>		<b>Site Name:</b>	

The purpose of the Wet-Ink Signature Log is to maintain a record of the handwriting sample and signature of every individual who is involved in study-related activities and utilises the Florence platform to execute electronic signatures.

### Instructions on Log Completion:

Complete the Log using a black or blue pen.

If amendments are required, please cross out the error without obscuring the original entry and initial/date any amendments. Send a scanned copy of the Wet-Ink Signature Log to the <Insert Trial Acronym> Trial Coordinator at <insert email address>.

The original copy of the Wet-Ink Signature Log must be maintained at site and a scanned copy filed into your Investigator Site File (ISF).

Print Name	Study Role <small>(e.g. Principal Investigator, Study Coordinator, Pharmacist)</small>	Numbers 0 - 9	Initials	Signature	Date <small>(DD/MMM/YYYY)</small>
